16 – 21 of February 2016

### Amateur figure skating competitions

#### Information letter 3.

Dear figure skating amateurs!

**1.** Dear people of Russian winter, adults and children

According to the offer of the Organizing committee and with help of our participants from the Urals we started the project "**The chronicle of our dreams coming true on "The Russian winter"**". We suggest you all to take part in creation of photo history of our favourite competitions.

This project will end by a demonstration of a slideshow with the most unforgettable moments of the competitions "Russian Winter" for all the time of its existence, since 2007. This will be realized in a competitive zone or in a zone of cafe at a skating rink

Everyone, who at least once, participated in this holiday of amateur figure skating, has some **photos from Russian winter**. On one – we are beautiful and happy, on others – ridiculous and **touching** ... Let's share these moments that warm our hearts with each other and again experience unforgettable emotions! Experience together!

Please send your photos and videos from previous RW competitions to e-mail: [historyrw@mail.ru](mailto:historyrw@mail.ru)

Sign all materials: year, name, where are you from and a category to which you would refer the photo or video, for example – "The most original suit", "To laugh at yourself" or any other.

We are waiting for your photos and videos till January 15, 2016

**2.** We also are happy to announce a contest on the **video about "The Russian winter"**. It can be in the form of the announcement of the coming competitions or in the form of the video report about former starts. Or it can be an amusing cartoon ... **It can be anything, depending on how you see it!**

We will make the decision with the help of our participants. The winner will be marked out by a nice useful prize!

This video will be broadcasted in the lobby of social-cultural center «Galaktika» during our competitions.
